

INTERCHURCH HEALTH MINISTRIES CANADA

February 13, 2013

Dear Partners in Ministry:

We invite you to attend an Information Forum hosted by Thorneloe University and InterChurch Health Ministries Canada. The purpose of the forum is to educate participants about Parish Nursing Ministry and the role of the Parish Nurse, Health Committee and Congregation in the life and ministry of a Congregation. Our focus will also centre on the role of InterChurch Health Ministries Canada to **Promote** Parish Nursing Ministry as well as to **Educate** and **Support** Parish Nurses and faith communities in the implementation and maintenance of this ministry.

Please consider joining us for this informative afternoon.
